

## Edwin Wright

Our newest member, **Edwin Wright**, grew up in the Jacksonville area and was in the inaugural class of the University of North Florida. He is married 39 years to his wife, Deborah, who is the principal of Lake Mary Elementary. Edwin retired from Embarq a little over three years ago and started a new company which brokers petroleum products. With a mere \$300 per person investment three years ago, the company is now generating \$1.5 million in sales! Remarkable! Edwin is very happy to be a Rotarian and committed to following the ideals of Rotary and advance its mission. Following his "bio", Edwin took questions including one from **Chuck Lorenz** about his products. His company mainly brokers aviation fuel under federal contracts but also some diesel.

## No Meetings!

Please note on your calendars that, during the holidays, we will NOT have our normal Friday meetings on the following dates:

November 26, December 24 and December 31

Rotary Club of Seminole County South  
P.O. Box 160306  
Altamonte Springs, FL 32716-0306

The object of Rotary is to foster the ideal of service as a basis of worthy enterprise.

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## "Happy Dollars" (cont. from pg. 2)

Christini's. While there, they were waited upon by their favorite waitress who shared a wonderfully funny story about a fender bender. **Dudley** invited all the Trick-or-Treaters to Uptown Altamonte for a fun event on Halloween. **Peggy** thanked **Carl Riechers** for helping out her mother with some simple tasks around the house. Bob Levy offered money for Carl to elaborate on the visit but it was only an appliance problem. **Jack Eiel** had a happy grandpa dollar; his youngest grandson is a football star and the other is applying for colleges. And, surprise, surprise, right in the middle of our happy dollars appeared **Lee Constantine**, who made a special point to thank all those who have helped him through is many, many years of public service; a tenure that is now ending. He began his career of public service at age 24 when he was elected to the Altamonte City Commission (after joining the Club at age 22). All total, he's been serving for 32 years. Lee also delivered a check to the Club for \$250 from Charity Challenge. Bob Levy told Lee how he wrote an introduction to the Wekiva Promise magazine for him. **Russ** noted that Lee is the chairman of the Wekiva Commission, a position he hopes to continue with even after his official elected tenure comes to a close. **Bill Fahey** mentioned that it was National Catholic Women's Month, and remarked that Lee was right in the middle of a promotional mass picture.

## Don't Forget!

As we have for the past few years, our Club has committed to staffing a "SAG" stop for this Sunday's Boys and Girls Club bike ride. We will be in the parking lot of the Winn Dixie at 1021 Lockwood Blvd, Oviedo, from 7:45 a.m. to noon.

Please take a copy of "The Times" and give to a prospective member

## The Four Way Test

**First ...** Is it the *TRUTH*?

**Second ...** Is it *FAIR* to all concerned?

**Third ...** Will it build *GOOD WILL* and *BETTER FRIENDSHIPS*?

**Fourth ...** Will it be *BENEFICIAL* to all concerned?
