from DG Art Brown who visited our Club the week prior. **Pete Osborn** reminded us about our upcoming golf tournament, now being held in memory of Sheila Brown. As in any year, we need door prizes and players. Please see Pete or one of his many assistants to find out how you can contribute to the success of this annual event. **Bill Stack** gave us news on our membership. Our membership numbers have slumped from 92 to 86, with a few dropping out as a result of attendance. He made sure to highlight the efforts of Mike Merrill and **Sandy Becker** at the Coalition. Bill also noted upcoming District meetings on PR and the Foundation, emphasizing EREY (Every Rotarian, Every Year), reminding us that all Foundation money donated comes back to the Club, enabling projects such as our Guatemala project featured at today’s meeting. President Paul handed out appreciation plaques to **Paul Sills**, Bob Levy and **Ted Schwartz** for their work on various committees. Errol made note of the *Rotarian* magazine and, as is typical, gave a little quiz on its contents. Following happy dollars, **Mike Martone** gave us a state of the Club talk, focusing on our finances. He distinguished our funds raised for operations and those for fund-raising. Through June 2011, our overall revenues were lower than in prior years. He also broke down our expenses in categories, all of which resulted in a loss of \$11,000, forcing us to fund donations from funds on hand. **Bill Potter** noted that the funds for the Guatemala trip came from District Designated Funds, a result of Club donations to the Foundation three years ago. **Bill Vogel** had a chance at our drawing but, yet again, it rolls.

The object of Rotary is to foster the ideal of service as a basis of worthy enterprise.  
**FIRST:** The development of acquaintance as an opportunity for service;  
**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian’s occupation;  
**THIRD:** The application of the ideal of service in each Rotarian’s personal, business, and community life;  
**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Bart Starr was so lightly regarded after his collegiate career at Alabama that the quarterback was not selected until the 17th round of the 1956 draft by Green Bay. Starr led the Packers to five NFL championships and victories in the first two Super Bowls. A three time NFL passing leader, Starr set a record by throwing 294 passes without an interception.

**TODAY'S MESSAGE**

**New Generations Month**  
 (adapted from Rotary.org)

September is New Generations month, recognizing Rotary’s fifth Avenue of Service. Every year, thousands of talented and dedicated young people, ages 12-30, have an incredible experience in a New Generations program. As Rotaractors and Interactors, they serve in communities at home and abroad. Through Rotary Youth Exchange, they explore new cultures. And as Rotary Youth Leadership Awards participants, they learn skills that will help them succeed as future community leaders. Our Club is actively involved with the Interact club at Lyman H.S. Interact is intended for young adults aged 12 - 18. Each year, Interact Clubs complete at least two community service projects. Almost 200,000 young people are involved in Interact.

## THIS WEEK'S BIRTHDAYS

### No Birthdays This Week

## HAPPY DOLLARS

Last week's happy dollars, at the suggestion of our President, were donated to Hospice of the Comforter in honor of Peggy's son, Justin. **Bill Fahey** collected our happy dollars and he started things off, calling our attention to his new weekly column in the bulletin, Fahey's Fabulous Football Facts. **Bob Levy** told us about his trip to Washington D.C. to visit his son. His son experienced the recent earthquake and Hurricane Irene, as well as had a fire in his building. **John Costello** had a dollar for Justin and Sheila and shared the money pit repair to his air conditioning. **Barry** added one for Justin's service and was happy to see **Peggy** at the meeting. **Judith Topper** had \$2 for Sheila and Peggy and showed off the newest edition of her *Sweetwater* magazine. **Russ** went to give a happy dollar, only to be mocked by **Bill Stack** who warned those nearby to "watch out for moths!" Russ was happy to be at the meeting and very happy to see Peggy, lamenting how difficult it is to lose a child, having lost two himself. **Jack Eiel** was happy for his children who survived the earthquake and the hurricane. **Dudley** was very happy for the arrival of grandchild #9. Russ stepped up for another dollar in honor of his 15<sup>th</sup> great grandchild. **Chuck Lorenz** was happy for his granddaughter who just returned from foreign service in Bangkok at the U.S. Embassy. She's headed to the State Department for her next assignment. **Joe Williams** had \$5 for Sheila and Justin. **Tracy** added one for "PD2". **Karen Almond** had \$20 for Peggy and for the very exciting fact that her daughter is officially on someone else's payroll! **Mike Lane** was happy to have gone on a cruise vacation with his wife. **Rege** had one Sheila and Justin. He also complimented **Dennis** on a job very well done at the Coalition. **Pete Burg** added another for Peggy and Sheila and wished his grandson a happy 10<sup>th</sup> birthday. **Bill Stack** gave us some statistics from our Coalition feeding. **Mike Martone** said hello to the Club from Lori and shared a joke about a lady married four times. **Tim Roberts** had a sad dollar for the loss of Sheila and Justin but was happy for the start of college football. **Clark** had one for PD2, for Peggy and for Sheila. He also tasked **Jim Gamble**, our Club historian, with finding out just what Sheila was doing while she worked at the Russian Embassy. **Paul McGlone** was very happy that his new hip is working well. **Dede** yelled out a hearty "Go Gators!" **Errol** called our attention to a *Wall Street Journal* article on college football and its "axis for football expectations." **Paul Sills** had a very happy dollar for his son Max who achieved a perfect score on the math portion of his FCAT test. **Bill Fahey** put in his whole wallet for his amazing grandson who has aced the FCAT three times in a row! Astonishing! Peggy expressed heartfelt thanks for all the members who wished her well considering the recent, tragic loss of her son, Justin.

## LAST WEEK'S MEETING

Last week, **Bob Levy** gave our invocation, suggesting a moment of silence for the losses our Club and its members have recently suffered. President **Paul** thanked our greeter, **Jay Bastian**, and **Dudley Bates** introduced our long list of visiting Rotarians... none. **Judith Topper** did have a guest though from Mayfair Country Club. As it was Fellowship Day, **Clark Gwinn** gave a "bio" for our departed Sheila Brown. Sheila's service was ironically held on her 91<sup>st</sup> birthday. She was born in Evanston, Illinois and had an interesting work career, including jobs as an operator and even working for the Russian Embassy. She became a "military wife" when she married Harry Brown, also a former member of our Club. Sheila had three boys, two of whom were killed in action in Vietnam. Her remaining son, Jeff, graduated from UF and has a son of his own. Sheila moved to Sweetwater with Harry in 1971 after he retired from the military as a Colonel. She became a Realtor and was quite successful selling homes. Following Harry's death, she moved right down the street to Villages on the Green. Clark also shared some personal stories about Sheila, including one time when Harry got a little upset when **Bill Fahey** mentioned that Sheila had been in one of his dreams. Great job, Clark. Clark solicited additional stories from those gathered and several members were happy to share. **Bill Fahey** told us about Harry raising the issue of a dog defecating on his lawn. Harry and he shared a drink that night and he passed away sitting right there in the chair. (Bill added that it's not a good idea to sit in a chair and have a drink with him on a Friday night.) **Paul McGlone** spoke about meeting Sheila at Femmes de Coeur. **Bob Levy** talked about visiting with Jeff following the funeral. **Judith** also met Sheila through Femmes de Coeur and recalls her sweetness and goodness. **Errol** was very happy to have sat next to Sheila at, what turned out to be, her last Rotary meeting, adding that she was a self-described "tough old bird." **Peggy** remarked about how much Sheila missed Harry following his passing. **Tracy Huggins** shared a story from **Chris Sorensen** who used to tell her less than savory jokes. **Pete Burg** talked about helping Sheila find her car after a Red, Hot and Boom event, for which she was very grateful. **Joe Williams** described Sheila as someone that you just wanted to be around; an honest and dependable person. **Dede** shared a story about Harry Brown being up on the roof cleaning out the gutters, with Sheila yelling at him from below. **Bill Miller** told us how he met Sheila in the context of being a builder and how they became good friends over time. **Carole** was happy to have met Sheila shortly after moving to Sweetwater in 1976. **Bill Fahey** concluded by commenting that everything she did, she did well. Our new member **Mike Merrill**, sponsored by **Jim Dekleva**, gave a brief vocational talk about himself. Mike is a lawyer who recently graduated from Barry Law School. He works for the Kramer Law Firm which offers a wide variety of legal services. We're happy to have Mike as a new member. **Errol** led us in song and shared the story behind *It's a Grand Old Flag*. **Charlie Bennett** gave us an update on our latest, very successful effort at the Coalition. President Paul shared a very gracious note ("Last Week" cont. on pg. 4)
