to make more money, but to be useful to other people. He noted that the Japanese tradition of putting the needs of society above the needs of the individual helped his country rebuild after the tsunami and earthquake in March. “This is a lesson that I think the whole world can learn from, in a positive way. When we see the needs of others as more important than our own needs — when we focus our energies on a shared goal that is for the good of all — this changes everything,” he said. “In Rotary, our business is not profit. Our business is peace. Our reward is not financial, but the happiness and satisfaction of seeing a better, more peaceful world, one that we have achieved through our own efforts.”

You’re a Grand Old Flag

You’re a grand old flag,
You’re a high flying flag
And forever in peace may you wave.
You’re the emblem of
The land I love.
The home of the free and the brave.
Ev’ry heart beats true
for the Red, White and Blue,
Where there’s never a boast or brag.
Should auld acquaintance be forgot,
Keep your eye on the grand old flag.

TODAY’S MESSAGE

“Peace Through Service”

(adapted from Rotary.org)

At the 2012 International Assembly, RI President-elect Sakuji Tanaka asked Rotarians to build *Peace Through Service* in 2012-13. Tanaka unveiled the RI theme during the opening plenary session of the 2012 International Assembly, a training event for incoming Rotary district governors. “Peace, in all of the ways that we can understand it, is a real goal and a realistic goal for Rotary,” he said. Peace has different meanings for different people, Tanaka said. “No definition is right, and no definition is wrong,” he said. “However we use the word, this is what peace means for us. No matter how we use, or understand the word, Rotary can help us to achieve it,” he added.
